HOBBIES

Writing poetry
Playing Chess
Watching movie And Series
Love Travelling

Remark –
All My certificate are listed on my Linked In profile.

DIVESH KUMAR
DATA SCIENCE/ ML

EDUCATION

Institute of engineering & management,
2018 - 2022
BTech - Bachelor of Technology, Electrical, Electronics and Communications Engineering

Sarvodaya high school bhagwanpur, saran, Bihar
2018 - 2018
12th from Science (PCM)

WORK EXPERIENCE

Iem labs - Machine learning intern
March 2020–June 2020
In this internship program I have to develop a site at which we can check our essay on any subject with the help of keyword and spelling mistake.

The Spark Foundation - Data science Intern
October 2020–! Month internship
In this internship we are given around 5 project out of which we have to submit at least one or all.

MedTourEasy - Data Engineer intern
October 2020–November 2020
[Describe your responsibilities and achievements in terms of impact and results. Use examples but keep in short.]

SKILLS

• Python for Everybody Specialization
• Machine learning by Andrew ng
• Applied Data science specialization by IBM
•Deep Learning Specialization
• Data Engineering, Big Data, and Machine Learning on GCP Specialisation
• Natural Language Processing Specialisation
•Excel

PROJECT-
My Project are listed on Github.
